**THE GALLERY ~ PRIVATE DINING ROOM**

Gilbey's Bar, Restaurant & Townhouse is located in the historic and famous Eton High Street, just across the bridge from Windsor Castle.

The Gallery, our new and stylish Private Dining Room, seats up to 34 guests on one long table and has its own private courtyard garden with tables and an obelisk gas heater.

The Gallery is available to book for business meetings, lunches and dinners as well as standing canapé receptions for up to 50 guests. The Gallery is a hugely versatile room and is equally suited to private parties and wedding celebrations as it is for corporate events. It provides the perfect setting for entertaining family, friends and clients.

We have decorated The Gallery in similar style to our Bar, Restaurant and Townhouse and it has striking artworks by Jessica Graham. The glass doors lead on to the private courtyard garden. In addition to The Gallery, there is an anteroom: the Cactus Room, where guests can mingle and relax – browsing Jessica's fun cactus artworks whilst enjoying a pre or post-lunch / dinner drink!

We offer two Party Menus: A & B and on Sundays there is a 3 Course Set Lunch Menu which includes two roasts. These seasonally-led menus are created by our brilliant Head Chef Amaury de Oliveira and his team. All our menus are available to look at on our website: **[www.gilbeygroup.com](http://www.gilbeygroup.com)**.

Our General Manager Emma Brett, with her wealth of experience and knowledge, is here to help and expertly guide you so that your party or event is perfect on the day.
